

## **Cancellation Policy**

At Acorn Pediatrics we strive to stay on schedule. As providers, we will be realistic in setting our schedule to provide enough time for appointments. As a parent of a patient, we would ask that you try to be on time for your child's appointment. Please call to reschedule appointments if you realize that you will be running late. If you arrive late and the provider is unable to work your child into the schedule, you will be asked to reschedule. We understand that emergencies can make it difficult to keep appointments. However, if appointments are repeatedly missed without notifying our office, we reserve the right to ask you to seek medical care elsewhere.
